

SERVICE SHEET

PLANNING

The Planning team is committed to delivering quality planning outcomes that exceed the expectations of the client. Our planning takes into account the social, economic, cultural and environmental context of each situation and we have been responsible for the delivery of major planning projects both policy and strategy based and, on-ground developments.

PLANNING

In 2012 Fyfe merged with Connor Holmes. Connor Holmes remains the property advisor brand in South Australia however property services in Queensland and the Northern Territory operate under the Fyfe brand.

Fyfe is committed to delivering quality planning outcomes that exceed the expectations of the client. Our planning takes into account the social, economic, cultural and environmental context of each situation and we have

been responsible for the delivery of major planning projects both policy and strategy based and, on-ground developments.

Fyfe works closely with our clients to fully understand, and realise their objectives.

In conjunction with our other disciplines, Property, Local Government, Surveying, Civil and Structural Engineering, Infrastructure and Environment we can dedicate a multi-disciplinary team from our in house staff to provide a truly holistic approach to planning.
