

TOWN PLANNING

Fyfe can provide all land development services including planning

Company Overview

Fyfe Pty Ltd is a well established land, resource & infrastructure development consultancy specialising in providing comprehensive planning, surveying and engineering services to SA, QLD and NT. Since commencing in 1982 as a survey practice, Fyfe has broadened its level of expertise by acquiring MJ Hedges Geomeasure Pty Ltd – a QLD surveying and town planning practice, Gilbert & Associates – an Adelaide civil engineering consultancy and Fyfe JMA (formerly J Matthews & Associates) – a surveying practice in the Northern Territory. More recently, in 2008 Fyfe introduced urban planning and design to its Adelaide operation. The Fyfe group currently employ more than 220 people located in eight offices throughout Australia – Adelaide, Brisbane, Darwin, Alice Springs, Moomba, Ballera and Roma.

Planning Resources

Fyfe are able to provide a comprehensive urban planning service to the public and private sectors. Fyfe has maintained ISO 9001:2008 quality accreditation since 1994, which ensures clients are provided with high quality services. Fyfe recognise that excellence in occupational health, safety & welfare is a priority in day-to-day activities and work practices of the company.

Fyfe are strong supporters and users of all online systems provided by authorities to assist the land development process. To aid in delivering planning services, Fyfe has developed software application "Project Tracker". Project Tracker provides for the efficient collection and retrieval of information in relation to regions and projects.
