

INTRODUCING OUR NEW LAND DEVELOPMENT TEAM

Fyfe can provide all land development services including planning services.

GEOFFREY ALLEN

For ten years, Geoffrey was the Managing Director of Fyfe Pty Ltd, and with his desire for perfection, we couldn't be in better hands. Geoffrey's 35 years of experience in project management and planning administration of major development applications make him the ideal manager of Fyfe Land.

NATHAN GRAINGER

Nathan brings with him over 10 years knowledge and experience as a Senior Town Planner in Local and State Government, providing expert advice in regard to Development Appeals, the facilitation of Development Approvals and can undertake risk management reviews to ensure statutory compliance.

CHRIS MILLETT

Chris's expertise is wide and varied with over 25 years cadastral, engineering and project management experience within the surveying industry. Chris is responsible for the project management and planning administration of Development Applications for land divisions and engineering surveys.

**For all your Land Development and planning requirements,
please contact Chris Millett on 8131 2806 or Nathan Grainger on 8364 1000.**
