

YOUR PIPELINE INTEGRITY SPECIALISTS

Fyfe has been assisting pipeline operations for 15 years

JAMES CZORNOHALAN

James, an experienced pipeline engineer, manages the Pipeline Engineering section within Fyfe. James has spent more than 15 years working with Fyfe for Epic Energy and on secondment to Santos Ltd working on various oil & gas projects.

GRANT NELSON

Grant's experience covers Mechanical Engineering, undertaking research into the erosion-corrosion behaviour of wear resistant materials and as a consultant in the field of materials and failure analysis. Grant has also been involved in front end engineering design for oil & gas connections.

IAN BISHOP

Ian has spent most of his working life in the oil & gas industry, specialising in the area of corrosion engineering and integrity management for pipeline operations. Ian has been working with Fyfe for 5 years and has gained significant oil & gas industry experience during this time.
